

BAG SPEECH ASSIGNMENT

Time: minimum = 2 min.

maximum = 3 min.

This bag speech is a speech that demonstrates your view of yourself through the use of various items/possessions. You need to bring a type of bag that reflects your personality to class on the day that you speak. You must include the following items in your bag that represent how you see yourself:

1. One item representing your favorite physical feature
2. One item representing your favorite school subject
3. One item representing your family life
4. One item representing how you feel about your friends
5. One item representing how you spend your free time (sports, music, job, hobbies, likes, etc. – make sure it is classroom appropriate)
6. One item representing your strongest personality trait
7. One item representing what you wish to do in the future
8. One item representing your personal hero
9. One item representing something you would like to change about yourself
10. One other item that sums you up as an individual—this will conclude your speech

YOU MUST PUT ALL OF THIS INFORMATION ON NO MORE THAN TWO 4 X 6 INCH NOTECARDS—NO EXCEPTIONS!!

The idea behind this speech is to have you explain each of these items to the class as you remove them from your bag. Do not say, "This is a tennis ball—it represents my favorite sport." Instead, tell us about playing the sport, how long you have played, what you like about it, etc. Be complete, expressive, and use transitions. We want to know more about you!

This bag speech will be graded on content and delivery. No outline is necessary for this speech. Your score will be divided as follows:
